

## **Neighborhood National Bank Names New Executive Vice President/Chief Credit Officer**

***Neighborhood National Bank is pleased to announce  
Skip Maniscalco to the Executive Team***

Maniscalco recently served as Chief Credit Officer of a community bank located in Southern California. He has served as a senior credit administrator at several major commercial banks and was acting chief credit officer of a major San Diego savings and loan association.

Maniscalco brings a wealth of experience to Neighborhood National Bank with thirty five years of diversified financial services and banking industry experience encompassing retail branch, business banking office and corporate banking division management; corporate, middle market, and asset-based commercial lending; commercial real estate lending; loan syndication; credit division management, credit administration and collections; and, equipment leasing and lease portfolio acquisition and management.

Maniscalco is the First Vice President & Director for Risk Management Association (RMA), San Diego Chapter.

### **About Neighborhood National Bank**

*Neighborhood National Bank has become an established and recognized leader in providing banking products and services to small businesses in underserved and economically disadvantaged communities of San Diego. We attribute our success to the high level of service we provide and our willingness to finance smaller transactions. NNB operates with an emphasis on providing services for low-moderate income customers in the bank's service area (including both deposit and loan services). In addition, NNB has an emphasis on serving small businesses throughout San Diego, particularly minority and women-owned businesses along with providing job opportunities for low-moderate income wage earners.*
